

THE WORLD AUTOMOBILE LICENSE PLATES EXHIBITION

Purpose

The National Automobile License Plate Council has held World License Plate Exhibitions in conjunction with the Tokyo Motor Shows since 2005 in order to deepen understanding of the Japanese citizens about automobile license plates and the regulatory system and to promote the extensive utilization in the dream-inspiring automobile society.

The National Automobile License Plate Council held the 3rd World License Plate Exhibition in conjunction with the 41st Tokyo Motor Show at Makuhari Messe in Chiba Prefecture from October 23rd to November 4th 2009.

Its features are:

- Display of major license plates in the five continents
- Display of history of automobile license plates in Japan and fancy license plate samples
- Meanings of the registration and sealing systems of automobile license plates
- Examples of special automobile license plates of foreign countries
- Demonstration on model selection of special automobile license plates
- Summary of legal regulations on license plate covers

The National Automobile License Plate Council held the exhibition under the auspices of the Ministry of Land, Infrastructure and Transport and the Ministry of Foreign Affairs, and the estimated number of visitors in 2009 was approximately 30,000, which exceeded the number at the previous time.

The following photos were taken at the exhibition.
